

## Online Webinar as a part of the Training Workshop for Anglophone African Countries:

### “Deep dive into tracking NDC mitigation commitments under the Paris Agreement”

Co-organized by The Partnership on Transparency in the Paris Agreement (PATPA) and The Capacity Building Initiative for Transparency - Global Support Programme (CBIT-GSP) and hosted by the the Government of South Africa through the Department of Forestry, Fisheries and the Environment (DFFE)

**Date:** 25 April 2023

**Time:** 10hrs GMT (2-hours)

BY INVITATION ONLY

#### Objective

This webinar is the initial stage of a whole training concept to be carried out in support of countries belonging to the Anglophone Africa Regional Transparency Network under the CBIT-GSP project, on tools and approaches to track and report mitigation commitments under the Paris Agreement. The introductory webinar provides instructions to the participants on the other parts of the training workshop and summarizes some of the most relevant content to be included in greater detail in the face-to-face training that will take place in May in Pretoria.

#### Audience

This activity is intended for technical officers who coordinate the tracking and reporting of NDC mitigation commitments. This includes government staff at the national and sectoral levels, and staff from other institutions that are part of countries' institutional arrangements for reporting under the UNFCCC and the Paris Agreement (Biennial Transparency Reports).
