Climate Transparency Platform

Objective of the Climate Transparency Platform

Provide countries and support providers with a one-stop knowledge clearing house on climate transparency

1 - Transparency project information

Ongoing and upcoming in-country, regional and global initiatives through a project database.

3 - Transparency resources

A library of practices, methodologies and guidance, including Paris Rulebook and CGE.

5 - Platform for requesting support

A platform and forum for requesting assistance with country reports and transparency issues

2 - Transparency country information

Profiles with information on progress on NCs and BURs, self-assessed needs, and CBIT projects.

4 - Interactive user-driven forum

Information exchange and online tools for peer learning, coordination for regional MRV and transparency networks.

Stakeholder Consultations for the Platform

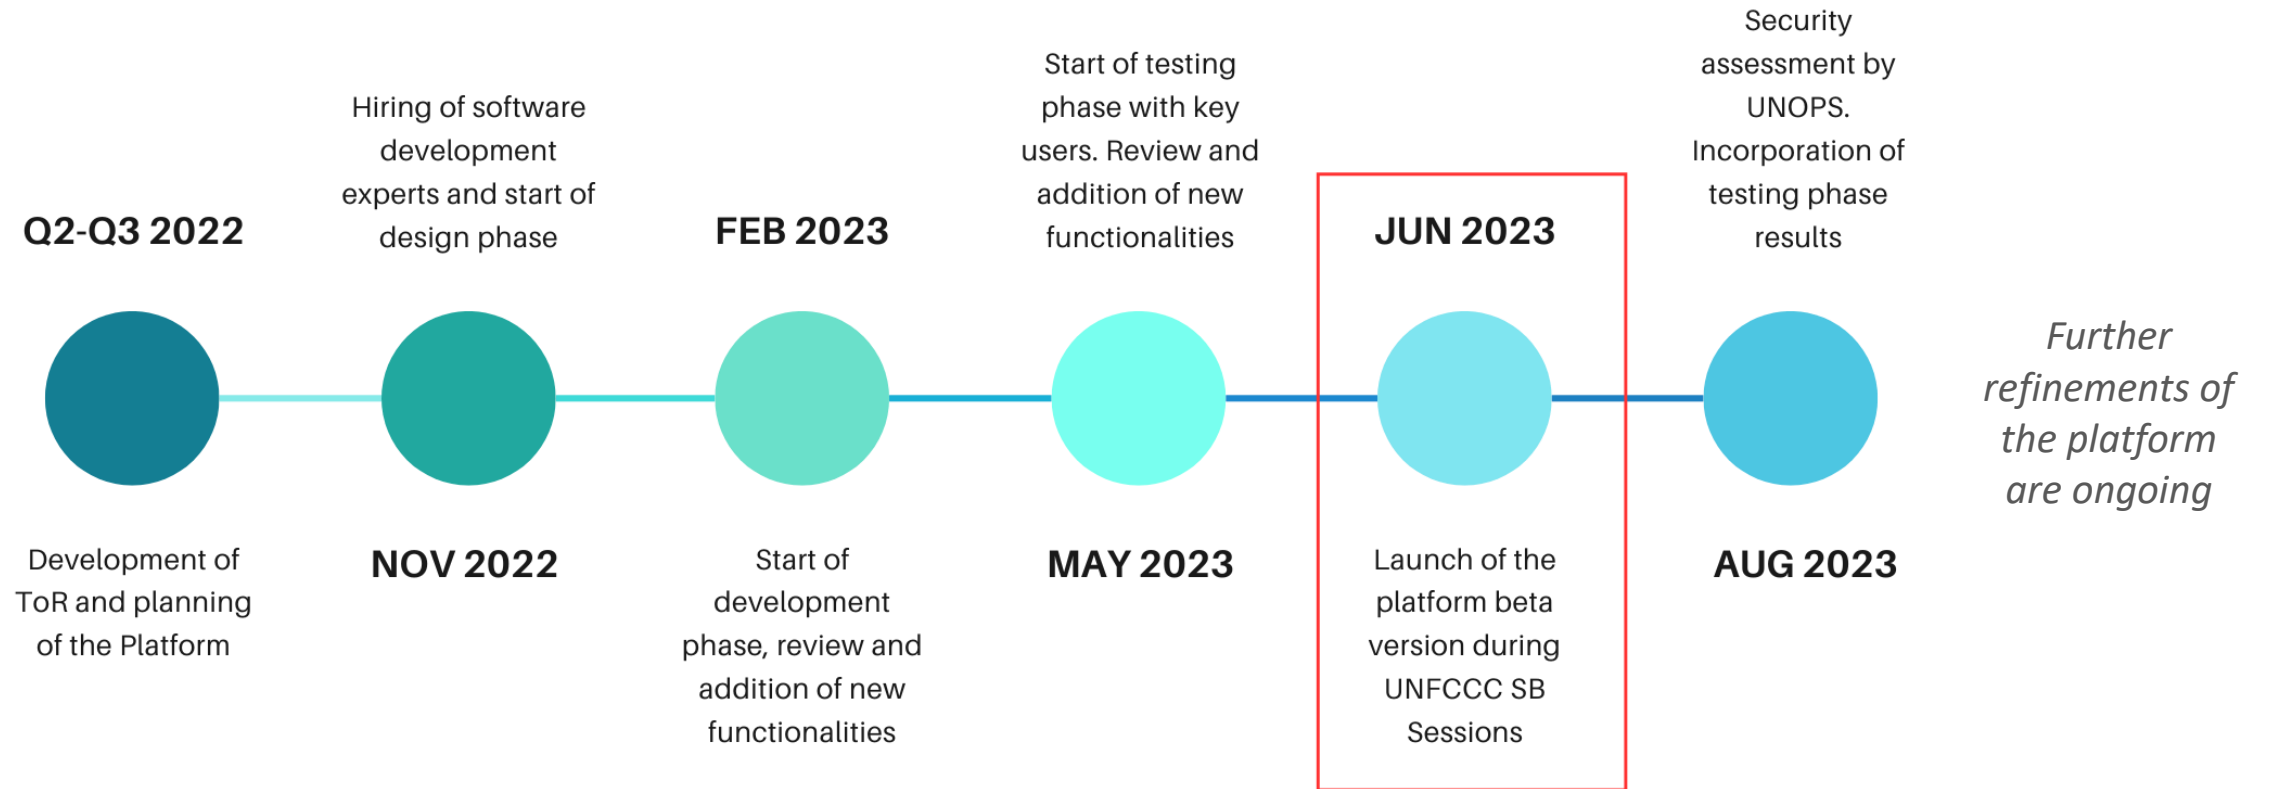

During Q2 2022, 5 consultations held with transparency experts, country & project focal points, and international agencies & initiatives

Objective:

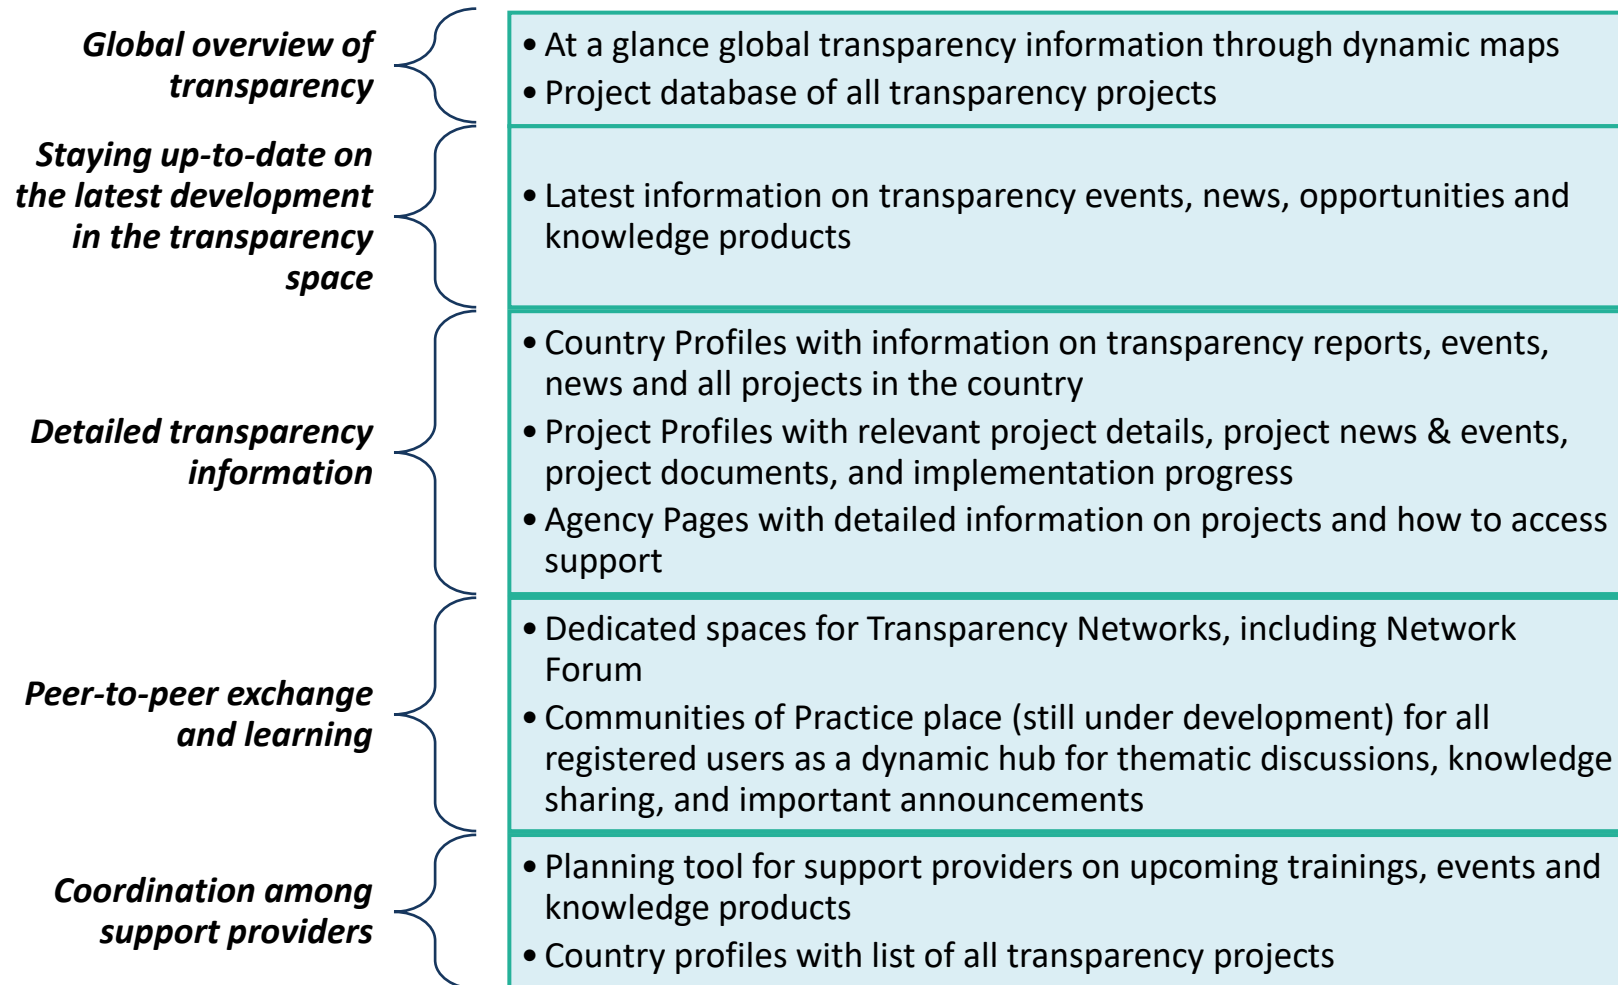

- Identify and define key functionalities
- Identify challenges and areas to address, from experience in previous platforms
- Define new features e.g., request for support, stakeholder roles, forum, and regional transparency networks
- Identify useful features to show in the main pages and interactive maps
- Agree on national transparency information relevant to feature in country pages

Platform Development Process

Functionalities of the Climate Transparency Platform

One-Stop Shop for Transparency - Owned by all Climate Transparency Stakeholders

Climate Transparency Platform – Built by the Global Transparency Community

A platform for and by the Climate Transparency Community

- The Climate Transparency Community has an integral role in building and improving the Platform
- Shared responsibility among all to keep it updated and useful for everyone

Please engage in the platform and make it your own space. We are very curious to hear your feedback and ideas!

Agency Focal Points

The screenshot displays the user interface for an Agency Focal Point. At the top left is the CAREC logo, followed by the text "Regional Environmental Centre for Central Asia (CAREC)". To the right, it shows "Ongoing Projects" with a count of "0". Below this, the "Agency Focal Point" is identified as "Oxana Kravtsova" with her email "okravtsova@carececo.org" and a profile icon. A navigation bar contains "EDIT", "DELETE", and "REVISIONS" buttons. The main content area is titled "OVERVIEW" and contains three paragraphs of text describing CAREC's mission and history. At the bottom, there are two expandable sections: "Featured" (collapsed) and "How to Access Support" (expanded). A second "OVERVIEW" section is visible at the very bottom of the page.
