# The Climate Transparency Platform in a Nutshell

## CBIT Global Coordination Platform

## Global Support Programme

Funded by: Implemented by: Executed by:

Climate Transparency Platform

# Objective of the Climate Transparency Platform

*Provide countries and support providers with a one-stop knowledge clearing house on climate transparency*

## 1 - Transparency project information

Ongoing and upcoming in-country, regional and global initiatives through a project database.

## 3 - Transparency resources

A library of practices, methodologies and guidance, including Paris Rulebook and CGE.

## 5 - Platform for requesting support

A platform and forum for requesting assistance with country reports and transparency issues

## 2 - Transparency country information

Profiles with information on progress on NCs and BURs, self-assessed needs, and CBIT projects.

## 4 - Interactive user-driven forum

Information exchange and online tools for peer learning, coordination for regional MRV and transparency networks.

# Stakeholder Consultations for the Platform

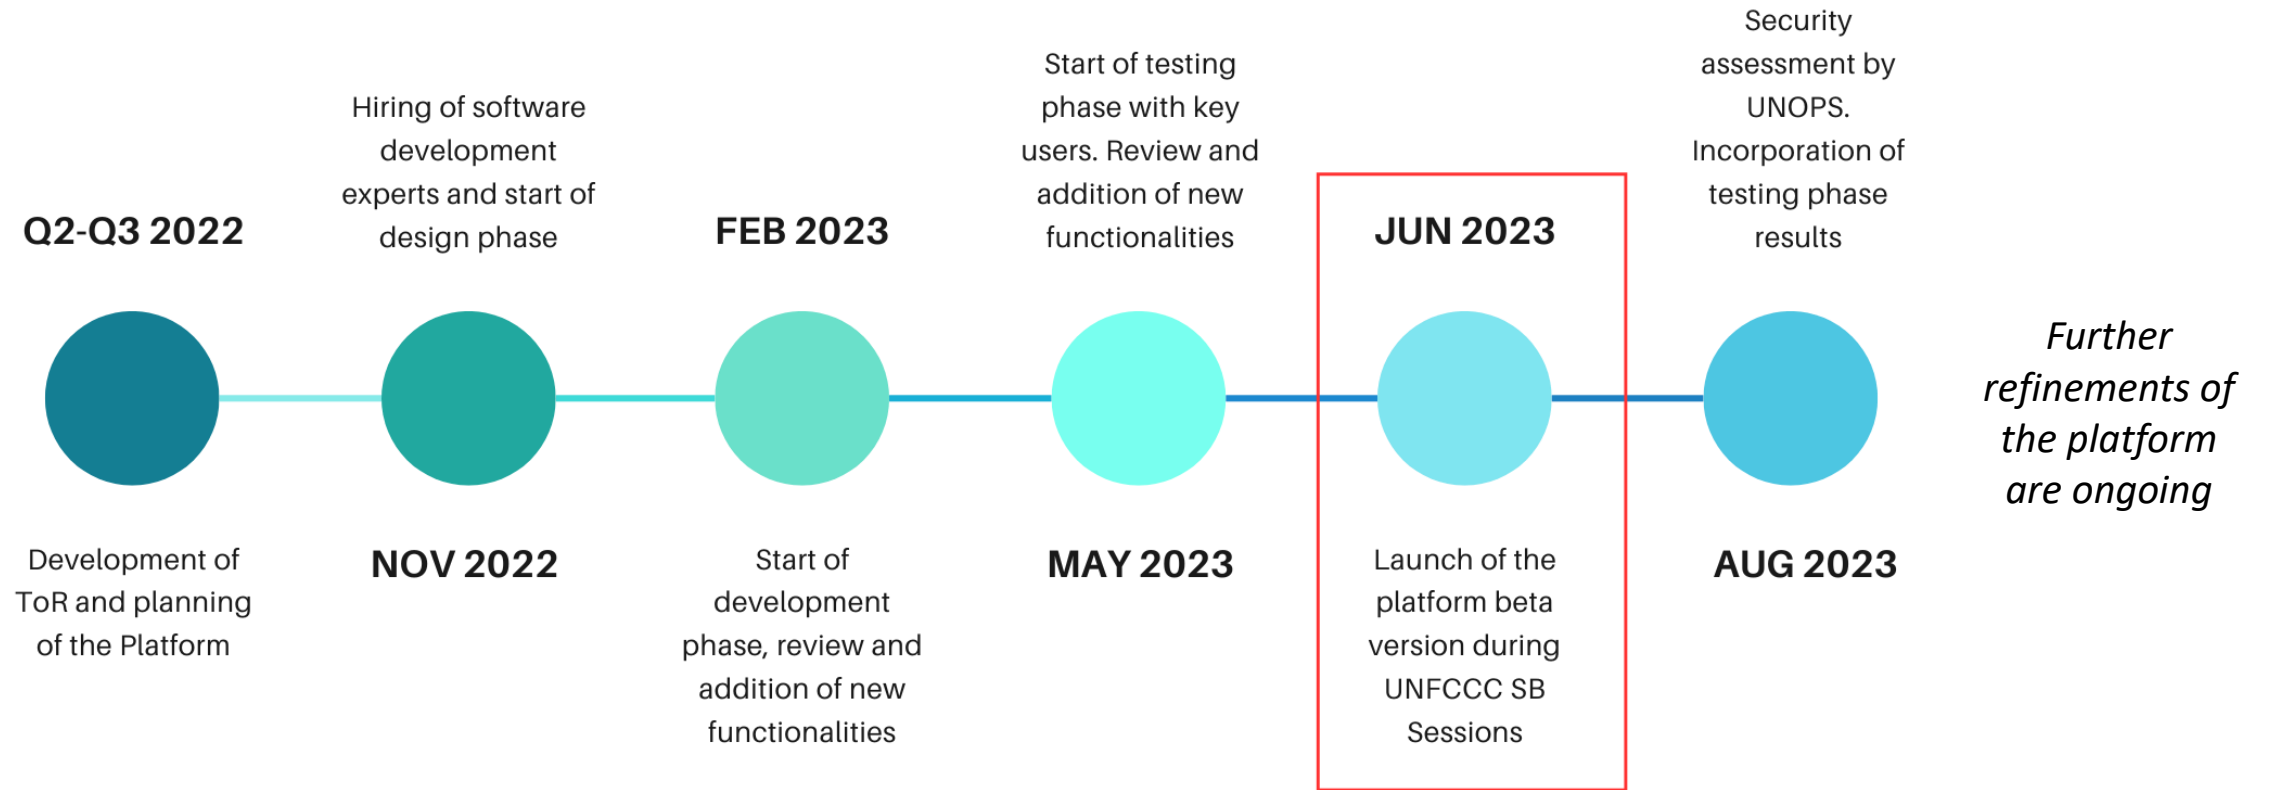

During Q2 2022, 5 consultations held with transparency experts, country & project focal points, and international agencies & initiatives

## Objective:

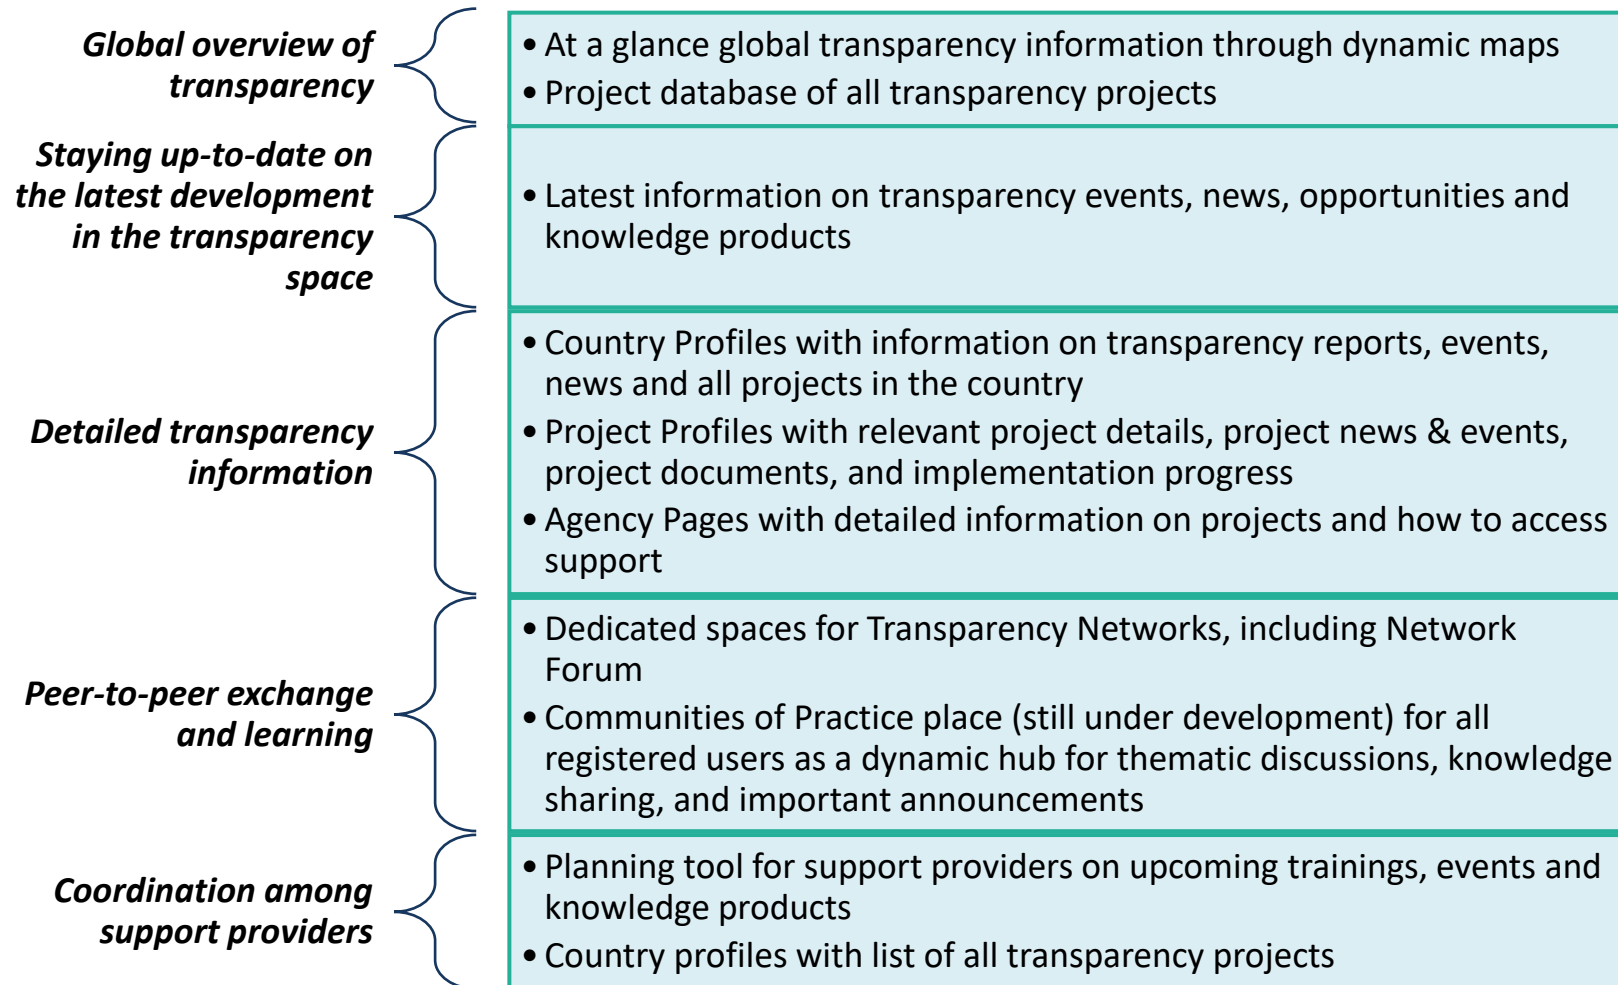

- Identify and define key functionalities
- Identify challenges and areas to address, from experience in previous platforms
- Define new features e.g., request for support, stakeholder roles, forum, and regional transparency networks
- Identify useful features to show in the main pages and interactive maps
- Agree on national transparency information relevant to feature in country pages

# Platform Development Process

# Functionalities of the Climate Transparency Platform

**One-Stop Shop for Transparency - Owned by all Climate Transparency Stakeholders**

# Climate Transparency Platform – Built by the Global Transparency Community

## *A platform for and by the Climate Transparency Community*

- The Climate Transparency Community has an integral role in building and improving the Platform
- Shared responsibility among all to keep it updated and useful for everyone

**Please engage in the platform and make it your own space. We are very curious to hear your feedback and ideas!**
