Projections of GHG emissions and removals

Cristina Urrutia
Oko Institute

copenhagen
climate centre

Information necessary to track progress in implementing and

Progress of what?	What is the objective or target?
How will I track progress?	Definitions
	Indicators
	Methodologies
How will I achieve the objective?	Policies, measures, actions, plans
	Projections
Am I on track? Did I achieve my objective?	GHG emissions
	Make assessment

Information necessary to track progress in implementing and achieving the NDC (cheatsheetliquidated)

Progress of what?	What is the objective or target?	Description of the NDC	Appendix
How will I track progress?	Definitions	Definitions needed to understand NDC	Table 1
	Indicators	Description of relevant indicators	Table 2
	Methodologies	Methodologies and accounting approaches	Table 3
How will I achieve the objective?	Policies, measures, actions, plans	Mitigation policies, actions, plans,	Table 5
	Projections	Projections of GHG emissions and removals	Tables 7,8,9
		Projections of indicators	Table 10
		Assumptions and parameters for projections	Table 11
Am I on track? Did I achieve my objective?	GHG emissions and removals	Summary of GHG inventory	Table 6
	Make assessment	Structured summary	Table 4

Information to track progress and compliance with the CDN (memory help)

Progress on what?	What is my goal or goal?
How am I going to keep track?	Definitions
	Indicators
	Methodologies
How am I going to achieve my goal?	Policies, measures, actions, plans
	Projections
Am I on track? Yeah. Did I achieve my goal?	GHG emissions
	Evaluate

Information to track progress and compliance with the NDC (memory help)

Progress on what?	What is my goal or goal?	Description of the NDC	Appendix
How am I going to keep track?	Definitions	Definitions needed to understand the NDC	Table 1
	Indicators	Description of relevant indicators	Table 2
	Methodologies	Methodologies and approaches to accountability	Table 3
How am I going to achieve my goal?	Policies, measures, actions, plans	Policies, measures, actions, mitigation plans	Table 5
	Projections	Projections of GHG emissions and removals	Tables 7.8.9
		Projections of indicators	Table 10
		Assumptions and projection parameters	Table 11
Am I on track? Yeah. Did I achieve my goal?	GHG emissions and removals	GHG inventory summary	Table 6
	Evaluate	Structured Summary	Table 4
