2.4	Support Needed and Support Received: reporting requirements and best practices in tracking climate finance in the region	Virtual workshop /all countries													
2.5	Impacts and adaptation: best practices on vulnerability assessment methodologies/tools and NAP process	Hybrid type of the learning session													
2.6	NDC Tracking: deep-dive into mitigation actions on NDC tracking	In-room – Almaty													
2.8	Introduction to the climate transparency platform	Virtual webinar													

III	National activities		J	F	М	Α	М	J	J	Α	S	0	N	D
3.1	Armenia: Establishing Online MRV systems –	Bilateral meeting												
	best international practices													
3.2	Azerbaijan: LEAP model hands-on training	Hands-on training												
3.3.	Kazakhstan: review of GHG Inventory (Energy:	Peer Review												
	fugitive emissions and transport)													
3.4	Kyrgyzstan: ETF (BTR and NC) reporting	Learning session	J	F	M	Α	М	J	J	Α	S	0	N	D
	requirements													
3.5	Tajikistan: use of IPCC software for the Energy	Hands-on training												
	Sector and transitioning towards ETF –	and Learning												
	postponed to January 2024	Session												
3.6	Uzbekistan: Determining NDC indicators for	Webinar –												
	appropriate tracking + add CA other countries	through IGES/ CBIT-GSP												
3.7	Turkmenistan: Enhancing GHG inventory for	Training												
3.7	AFOLU sector (needs and gaps assessment and	Training												
	instruments for the AFOLU/Land Use category) –													
	postponed to January 2024													
3.8	Azerbaijan and Uzbekistan: capacity building on	Mutual Learning												
	transparency and reporting under the Article 13	Programme												
	of the PA (NDC tracking) – finishes by the end of													
	January 2024													
IV	Knowledge products and publications													
5.1	Best practice on Kazakhstan's institutional													
	arrangements for the National GHG Inventory													
5.2	Summaries from key decisions from COP27,		J	F	M	Α	М	J	J	Α	S	0	N	D
	COP28 in Russian													
5.3	Report on activities carried to support the													
	exchange of knowledge and experience in the													
	Network exchange forum													
5.4	Regular update of the global transparency													
	platform													
VI	Closing the project year													
5.7	Final report on lessons learned and													
	recommendations on how to enhance capacity													
	building through the network
