

# Training Workshop: Preparation and Reporting of Results of National GHG Inventories under the ETF of the Paris Agreement

Kigali, Rwanda 25-27 June 2024

**PRESENTATION: OBJECTIVES, AND FORMAT OF THE TRAINING**

**Fatima-Zahra Taibi**  
CBIT-GSP Global Coordinator  
UNEP-Copenhagen Climate Centre

# Background

## Workshop co-organized:

- The Capacity Building Initiative for Transparency - Global Support Programme (CBIT-GSP)
- Partnership on Transparency in the Paris Agreement (PATPA)

## In Collaboration with:

- The United Nations Framework Convention for Climate Change (UNFCCC)

## Hosted by:

- The Government of Rwanda

# Objective

Support the country teams in charge of reporting the National GHG Inventory **in improving the technical contents of the NIR and the BTR**

- Providing **useful information and international experiences** to facilitate reporting
- Providing **concrete situations** for preparation and reporting of national inventories in accordance with the MPGs
- **Exchange experiences** and lessons learned in the application of **tools and systems** for reporting inventory data under the ETF.
- Identify **common challenges and opportunities** for collaboration among country teams in inventory work, fostering south-south cooperation.

# Approach

# Introductory webinar

**Objective:** Introduce the training and the main concepts and provisions for GHG Inventory preparation and reporting tools and give guidance to participants for the preparation of the next stages of the training.

## Content:

- New requirements for the reporting of inventories under the ETF: from BUR/NC to BTR and the national inventory report (NIR)
- Contents of the Common Reporting Table-CRT
- Introduction to new UNFCCC tools available for reporting inventories
- Instructions for following stages:
- Data needs for following stages II and III of the Workshop. Presentation of templates to be filled as a part of

the workshop

# In-country data collection

**Objective:** Gather the necessary data for use during the in-person training and get familiarized with own inventory and CRTs – **Critical stage for the success of the in-person training**

## Content:

- Familiarization with national inventory
- Gather data especially energy balance of the country
- Fill in the templates provided.

# In-person training

**Objective:** Equip the participants with knowledge and tools necessary for the preparation of their National Inventory Documents using their own data and identify solutions and tools for challenging aspects

## Content:

- Details about the new requirements of the MPGS and the various reporting tables
- Applicability of the flexibility provisions
- GHG Management tools (workplans, improvement plans, data management systems, QA/QC etc..)
- Demonstration of the UNFCC reporting tool and hands on training
- Practical exercises and sharing of experience.

# Follow-up

**Objective:** Consolidation of the learning from the training and opportunity to progress with the NID preparation

**Content:**

- Participants to reach out for guidance, review of outcomes etc..

# Thank you for your attention!
