Objectives of the Session

- Provide an overview of the ETF.
- Understand the transition from MRV to ETF.
- Understand the purpose of the ETF and its MPGs.
- Recognize the key concepts and guiding principals of the ETF.

Paris Agreement – Enhancing ambition

Review

Enhanced transparency framework Compliance Global stocktake

Objective

Long-term temperature goal (2°C/1.5°C); Climate-resilient and lowemissions development; Financial flows consistent with such development

Plan

NDCs under Article 4 of the Paris Agreement Adaptation communications Ex-ante communication on finance

Implement

Mitigation & adaptation actions Means of implementation

Transparency under the Convention and the Paris Agreement

From MRV to ETF

IAR Process: International Assessment and Review ICA Process: International Consultation and Analysis

The Paris Agreement and the ETF

Article 13 decision 18/CMA.1, Paris Agreement adopts the enhanced transparency framework (ETF) for action and support

The ETF is a common framework applicable to all Parties, with specific flexibility provisions provided to DC Parties that need it in the light of their capacities in its implementation.

Article 13 of the Paris Agreement goes on to outline the core elements of the ETF, which include reporting, the TER and the FMCP.

Paris Agreement – Linking NDCs, ETF and GST

Difference Between MRVs and ETF

Enhanced Transparency Framework under the Paris Agreement

Biennial Transparency Report (BTR)

Technical Expert Review (TER)

Facilitative Multilateral Consideration of Progress (FMCP)

Outline of the core elements of the ETF under the PA

Architecture of the ETF

- GHG inventory
- Progress in NDCs
- Support provided/mobilized
- Support needed/received
- Adaptation

Reporting

TER Review

- Consistency of information reported
- Consideration of progress with and achievement of NDC
- Support provided
- Identification of improvements
- Identification of capacity building needs

ETF- Key Concepts and guiding principals

Principle 6 Facilitating improvement over time

Principle 5 Avoiding double counting

> **Principle 4** Promoting TACCC

Principle 1 Respecting national sovereignty

Principle 2

Building on the arrangements under the Convention

Principle 3 Providing flexibility to **DC** Parties

CBIT-GSP CLIMATE TRANSPARENCY

Benefits of Transparency

Thank you for your attention!
