GHG Inventory Management Tools

Source:
2019 IPCC Refinements

Please fill the following table by
22 July 2024:

Country: _____

Inventory Management Tool	Does your country have it? (Y/N/Draft)	Comments (for example if included in last BR,BUR or NatCom)	If published, add web link here
Inventory workplan			
Data management system			
QA/QC Plan			
Improvement Plan			If you have a draft of a list of improvements for your next plan, bring it to the training
Schedule of Inventory training activities			
Education, awareness raising list of activities			
Tools to facilitate public access to the information of the Inventory			

Practical exercises in Bogota: getting familiar with CRT tables and fulfilling MPGs requirements

We would appreciate it if you brought the materials indicated in the [previous table](#) to the training in Bogotá

In addition, if you have a draft of your next inventory, bring it and we can discuss and use it in some of the exercises that will be conducted during the training

Thank you

Fernando Farias | fernando.farias@un.org
