Introduction to BTR Outline

Parties to the Paris Agreement:

- Submit 1st BTR no later than 31 Dec 2024
- BTR to be submitted biennially and can include NIR as a component

Core elements to be reported in the BTR of developing countries:

- National GHG inventory
- Information necessary to track progress made in implementing and achieving NDC under article 4 of the Paris Agreement
- Information on climate change impacts and adaptation
- Information on support needed and received by developing country Parties

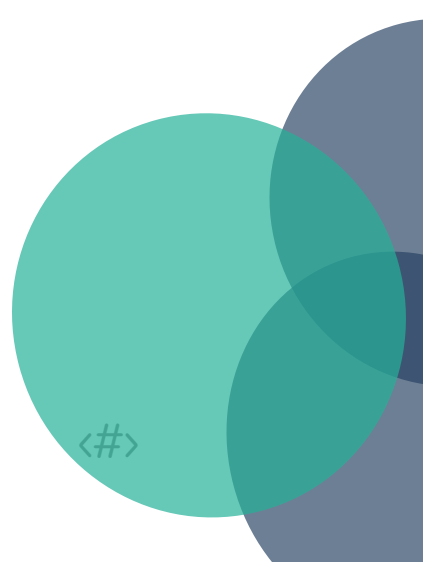

Core Elements to be reported in the BTR

National GHG inventory

- NIR of anthropogenic GHG emissions by sources and removals by sinks
- NIR comprises of National Inventory Document and CRTs of electronic reporting of info in the MPGs

Decision 5/CMA.3 – Annex V: Outline of the national inventory document, pursuant to the modalities, procedures and guidelines for the transparency framework for action and support referred to in Article 13 of the PA

Reporting Provisions for the NIR

Reporting provisions for the NIR

Paragraph(s) of the MPGs	Heading	Areas of flexibility under the MPGs
Paragraph 17	A. Definitions	NA
Paragraph(s) 18–19	B. National circumstances and institutional arrangements	NA
Paragraph(s) 20–36	C. Methods	<ul style="list-style-type: none"> • Key category analysis (para. 25) • Uncertainty assessment (para. 29) • Completeness (para. 32) • QA/QC (paras. 34–35)
Paragraph 37	D. Metrics	NA
Paragraph(s) 38–58	E. Reporting guidance	<ul style="list-style-type: none"> • Gases (para. 48) • Time series (paras. 57–58)

Core Elements to be reported in the BTR

Information related to climate change impacts and adaptation

- All Parties to PA are encouraged to report information on climate change impacts and adaptation
- Adaptation info is reported on a voluntary basis
 - Whether to report it
 - Type of info to report
- Parties can choose to cross reference previously reported adaptation info
- Update information previously reported

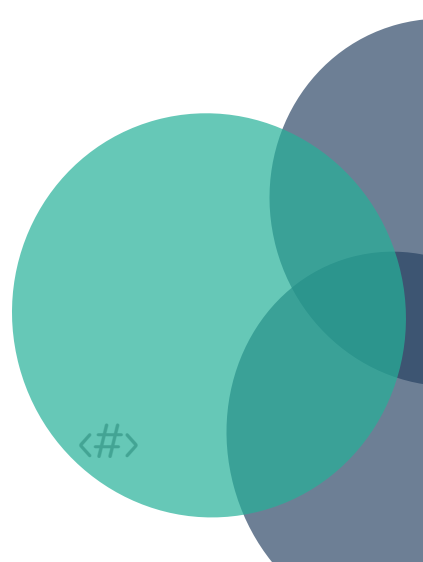

Core Elements to be reported in the BTR

Information related to climate change impacts and adaptation

Paragraph(s) of the MPGs	Heading
Paragraph 106	A. National circumstances, institutional arrangements and legal frameworks
Paragraph 107	B. Impacts, risks and vulnerabilities, as appropriate
Paragraph 108	C. Adaptation priorities and barriers
Paragraph 109	D. Adaptation strategies, policies, plans, goals and actions to integrate adaptation into national policies and strategies
Paragraph(s) 110-111	E. Progress on implementation of adaptation
Paragraph(s) 112-114	F. Monitoring and evaluation of adaptation actions and processes
Paragraph 115	G. Information related to averting, minimizing and addressing loss and damage associated with climate change impacts
Paragraph 116	H. Cooperation, good practices, experience and lessons learned
Paragraph 117	I. Any other information related to climate change impacts and adaptation under Article 7 of the Paris Agreement

Source: UNFCCC

Core Elements to be reported in the BTR

Information on financial, technology development and transfer and capacity-building support needed and received

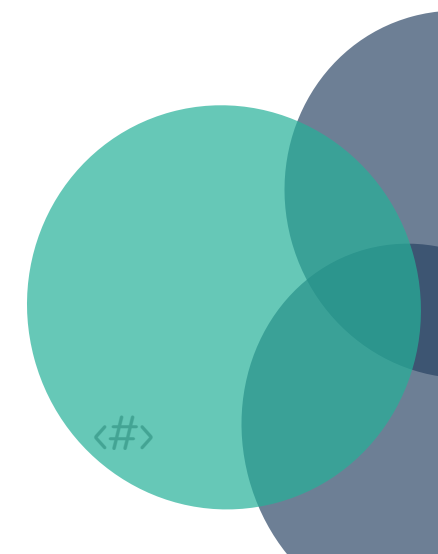

- Includes electronically reporting the information using CTF

Paragraph(s) of the MPGs	Heading
Paragraph 130	A. National circumstances, institutional arrangements and country-driven strategies
Paragraph 131	B. Underlying assumptions, definitions and methodologies
Paragraph(s) 132–133	C. Information on financial support needed by developing country Parties under Article 9 of the Paris Agreement
Paragraph 134	D. Information on financial support received by developing country Parties under Article 9 of the Paris Agreement
Paragraph(s) 135–136	E. Information on technology development and transfer support needed by developing country Parties under Article 10 of the Paris Agreement
Paragraph(s) 137–138	F. Information on technology development and transfer support received by developing country Parties under Article 10 of the Paris Agreement
Paragraph(s) 139–140	G. Information on capacity-building support needed by developing country Parties under Article 11 of the Paris Agreement
Paragraph(s) 141–142	H. Information on capacity-building support received by developing country Parties under Article 11 of the Paris Agreement
Paragraph(s) 143–145	I. Information on support needed and received by developing country Parties for the implementation of Article 13 of the Paris Agreement and transparency-related activities, including for transparency-related capacity-building
