2. INFORMATION ON SUPPORT REQUESTED

Title of activity	<i>Please include a title that summarises the specific topic of the support request.</i> To conduct hands-on training on the three ETF reporting tools
Objective and description	<i>Please describe the objective of the support requested, e.g., improving institutional arrangements, developing specific technical capacities, etc. and how the requested support will address the country's needs in enhanced climate transparency?</i> Under the Paris Agreement, Parties are obligated to submit their first Biennial Transparency Report (BTR1) and, if applicable, a stand-alone national inventory report. These submissions must adhere to the Modalities, Procedures, and Guidelines (MPGs) outlined in decision 18/CMA.1, with a deadline set for no later than 31 December 2024. Following decision 5/CMA.3, the UNFCCC secretariat has been tasked with creating electronic tools for reporting through common reporting tables and formats, ensuring a test version of these tools is available by June 2023, and releasing the final version by June 2024. Additionally, the secretariat is to organize periodic technical training workshops, offering a hands-on experience with the reporting tools to experts from the Parties. The upcoming hands-on training workshop will be a collaborative effort involving the UNFCCC, the CBIT GSP, and the Republic of Moldova's Ministry of Environment.
Time frame	<i>Please describe the expected time frame of the support requested, e.g., from May to September 2023, October 2023.</i> October 2024
Recipient entity	<i>Please describe the recipient entity of the support requested.</i> Ministry of Environment, Environmental Agency, National Office for Implementation Environmental Projects (ONIPM), Ministry of Environment, Institute of Power Engineering, Forestry Management and Research Institute,

¹ This concept note has been developed in line with [Table III.3 of Annex III \(Decision 5/CMA.3\)](#) in order to support countries for reporting information on support received for implementation on Article 13 of the Paris Agreement on transparency-related activities, including for transparency-related capacity-building.

Use, impact and estimated results	<p><i>Please describe the expected use, impacts and estimated results of the support requested.</i></p> <p>The hands-on training workshop aims at enhancing the technical capacities of the competent authorities and national experts from Moldova, who are involved in the preparation of national reports under the UNFCCC and the Paris Agreement, including NCs and BTRs on broad understanding of the reporting requirements under the ETF and its modalities, procedures and guidelines (MPGs); explanation of the type of information to be reported in the common reporting tables (CRT) for greenhouse gas inventories and in the common tabular formats (CTFs) for tracking NDC progress and for support provided and received.</p> <p>During the practical training sessions, the Secretariat will demonstrate the functions of three ETF reporting tools and provide exercises aimed at enhancing the capability of Parties to report accurately and efficiently.</p>
Additional information (Current context and reason for requesting the support)	<p><i>Please shortly describe the current context of transparency in your country in which this support will come in and explain the reasons for requiring support in this specific area. Please also state if you have received or receiving similar support in this area (e.g., CBIT, GEF Enabling Activities, ICAT, UNDP, RedINGEI, GSP).</i></p> <p>Based on the requirements of the current reporting framework under the UNFCCC, non-Annex I Parties do not have previous experience with using the common reporting tables (CRT) for greenhouse gas inventories and in the common tabular formats (CTFs) for tracking NDC progress and for support provided and received. Such training hand-on workshop ensure that the Parties are well-equipped to use these tools effectively for submitting the necessary information and data for the first BTR, in accordance with the agreed-upon modalities, procedures, and guidelines.</p>
