

The Capacity-building Initiative for Transparency – Global Support Programme (CBIT-GSP) is inviting you to:

A Closing Conversation with Madagascar - Reflections on its CBIT Project

Date: Wednesday 30 October 2024 | Time: 11:00 -12:30 CET | Format: online (MS Teams)

About

The Capacity-building Initiative for Transparency – Global Support Programme (CBIT-GSP) is pleased to invite you to attend the webinar “**A Closing Conversation with Madagascar – Reflections on its CBIT project**” on Wednesday, October 30th, 2024, at 11:00 CET.

Through a **conversation with the CBIT Madagascar project team**, this webinar will provide an overview of the project’s objectives, activities, results, and lessons learnt throughout its implementation. You will have the opportunity to hear from country and CBIT project representatives who will share their insights and experiences.

This webinar is part of a series of webinars with different CBIT projects who have finalized their projects or are about to conclude. The aim of the webinar series is to provide countries the opportunity to present the results of their CBIT project and share their lessons learned with other countries and the wider transparency community.

Please see a **detailed agenda** of the webinar below.

Target Audience and Language

This webinar is open to everyone who is interested in learning from other CBIT projects, including country representatives, transparency practitioners and international organizations. It is particularly useful for countries who are implementing a CBIT project or are preparing their first or second CBIT project right now.

The webinar will be held in English.

Duration and Registration

The webinar will last for ninety (90) minutes and will be held via Microsoft Teams.

To register for the webinar, please click on the [following link](#). After registering, you will receive a confirmation email with instructions on how to join the webinar.

Background

The CBIT-GSP is a global capacity-building project – funded by the Global Environment Facility, implemented by UNEP, and executed by the UNEP Copenhagen Climate Centre – to support countries in the transition towards the Enhanced Transparency Framework (ETF). One of the key elements on the project is to strengthen knowledge-sharing and peer-to-peer exchange among countries and transparency projects, such as through these kind of webinars.
