Dear Aslan,

Thank you for your email and the invitation tot collaborate on the two side events.

We are happy to collaborate and looking forward to getting more information on the events.

Best
Khetsiwe

Subject: Invitation to Organize 2 joint side-events in Azerbaijani pavilion at COP 29

Dear Nailia,

I hope this email finds you well.

It has been a pleasure collaborating with CBIT-GSP over the past year on various aspects of BTR preparation and the transition to the ETF. Thanks to your support, we have improved various sections of BTR and successfully co-organized two side events at COP28.

I would like to extend an invitation to collaborate once again on the organization of two joint side events at the Azerbaijani pavilion during COP29. Apologies for the short notice—today, we received the official confirmation and time slots from the organizers.

Below are the details of the planned side events:

- Launching Azerbaijan's National MRV System: Key Insights, ETF Transition, and Peer Exchange for GHG Data-Driven Climate Action
 - Date: 16 November
 - Time: 09:30
- Transitioning to the ETF: Experiences and Lessons from Azerbaijan's Journey in Preparing BTR1
 - Date: 16 November
 - Time: 16:00

Please let us know if CBIT-GSP is interested in collaborating with us. We would be happy to discuss the plan further at your convenience.

We already have initial ideas regarding speakers and participants, but we would greatly value your input. We hope to review the concept note and refine the agenda together, incorporating your expertise and experience.

Looking forward to your response and further cooperation!

With best regards,
Aslan Shikhaliyev
