Basis of workplan

Development of the Work Plan for 2025 for Pacific is based on:

- Bilateral meetings with CBIT-GSP Focal in PICs (ongoing)
- Meetings with international transparency partners (ongoing)
- Key findings and priorities determined in the rapid assessment for transparency
- Desk-top study (NCs and BTRs)

Note that

- The workplan is a live document with the possibility to merge the events with other networks and synchronize with activities of other partners
- All dates for the events are tentative and dependent on the resources
- The workplan includes only those activities which are planned for 2025
- Additional activities are welcome and will be added based on requests from PICs

Guiding questions:

1. To what extent do the proposed activities for 2025 align with PICs context?

2. Are there any current or emerging needs that remain unaddressed in 2025 workplan considering PICs national circumstances
