Presentation 1: Talanoa Dialogue

Group Photo & Refreshment and Coffee Break

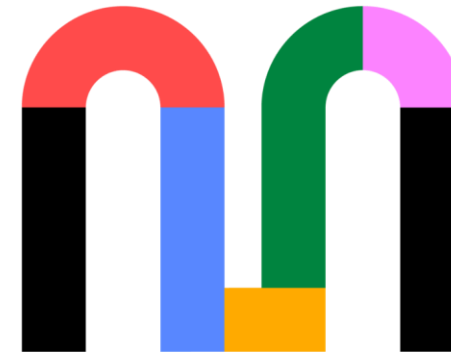

Presentation 2: Overview of key reporting provisions of the ETF, its MPGs, and the BTR

Exercise 1: BTR Challenges Mapping

BTR Key Challenges Mapping

- In this group session, participants will first discuss in tables the different challenges that they faced in the development and preparation of their first BTRs
- Following the small table discussions, a whole group discussion will take place, where the key areas will be mapped using a collaborative work board.

Lunch Break and Energizer

Exercise 2: Institutional Arrangements Mapping

Institutional Arrangements Mapping

- In this group exercise, participants will share their own experience relating to IA challenges
- Common challenges will be identified
- Following this sharing and identification of commonalities, as a group we will aim to map the following information as it relates to IA:
 - *Main challenges and possible solutions*
 - *Priority areas*
 - *Key sectors for NDC and GHGI*
 - *Key actors and institutions*
