

“Armenia's Third Biennial Update Report to the UNFCCC”
UNDP-GEF Project

WORKSHOP

“Requirements for national GHG inventory reports as part of the Biennial Transparency Report under the Paris Agreement”

*“Marriott Armenia” hotel “Tigran the Great” hall
27 January 2022*

The **objective** of the workshop is to present the requirements for national inventory reports as part of the Biennial Transparency Report (to be submitted no later than 31 December 2024) under the Enhanced Transparency Framework of Paris Agreement, which replaces Biennial Update Reports, and to provide specifics and gaps in the estimation of greenhouse gas emissions in the “Energy” sector of Armenia.
