Implementing Nationally Determined Contributions (NDCs)

Questions & Answers session

Recording of the webinar and slides will be uploaded to the CBIT platform. Follow this link:
www.cbitplatform.org/events/cbit-webinars

Question

How to undertake prioritization of actions as NDCs have to cover all sectors?

Recording of the webinar and slides will be uploaded to the CBIT platform. Follow this link:
www.cbitplatform.org/events/cbit-webinars

Question

Are there specific criteria for prioritization of policies and measures? It's a country driven approach so the prioritization is built on countries needs and capacities. Please clarify.

Recording of the webinar and slides will be uploaded to the CBIT platform. Follow this link:
www.cbitplatform.org/events/cbit-webinars

Question

In institutional arrangements it's not clear how an entity would play different role in NDC implementation. Could you give some examples?

Recording of the webinar and slides will be uploaded to the CBIT platform. Follow this link:
www.cbitplatform.org/events/cbit-webinars

Question

Please explain what a smarter way of spending public resources could be?

Recording of the webinar and slides will be uploaded to the CBIT platform. Follow this link:
www.cbitplatform.org/events/cbit-webinars

Question

Would you kindly give some examples of qualitative indicators for policies and measures?

Recording of the webinar and slides will be uploaded to the CBIT platform. Follow this link:
www.cbitplatform.org/events/cbit-webinars

Question

What do you recommend regarding institutional arrangements for monitoring the implementation of the NDC?

Recording of the webinar and slides will be uploaded to the CBIT platform. Follow this link:
