

**“Building Armenia’s National Transparency Framework  
under the Paris Agreement” UNDP-GEF Project**

*UNDP-GEF/00110252 project*

**WORKSHOP**

*“The problems of accessibility and quality assurance of the statistical data for climate change national report”*

August 11, 2022

Vagharshapat, “Machanets House”

**Agenda**

**Workshop aims:** To organize a discussion among stakeholders and expert communities on necessary indicators for the fulfilment of Armenia’s obligation to submit national reports under the UN Climate Change Convention, as well as to compile a list of indicators that need to be improved and outline the future framework of work to be conducted in that direction.
