

Experiences of Serbia and North Macedonia in implementation of their CBIT projects

Wednesday, June 24th 10:00h (Central European Time)

The Global Support Programme for MRV (GSP UNDP) in collaboration with UNDP Serbia and UNDP North Macedonia are holding this webinar to present how implementation of a CBIT project can be used for structuring comprehensive MRV systems under the enhanced transparency system and how climate transparency can be used to enhance climate action.

Interested stakeholders, in particular from the Balkans and Eastern Europe Network are welcome to join the event

Agenda:

Moving to Biennial Transparency Reports – Damiano Borgogno, UNDP

Structuring comprehensive MRV system for Serbia under the enhanced transparency framework – Miroslav Tadic, UNDP Serbia, Snezana Ostojic Paunovic, UNDP Serbia

Using climate transparency to enhance climate action – North Macedonian experience – Pavlina Zdraveva, UNDP North Macedonia, Petranka Boncheva, UNDP North Macedonia

The Webinar will be in English and will last 1 hour.
