

FAO Webinar series: Addressing transparency in agriculture and land use sectors

Reporting on adaptation in the agriculture and land use sectors under the Paris Agreement: Local climate vulnerability assessment

23 November 2021, 11:00-12:00 CET

REGISTER AT:

https://fao.zoom.us/webinar/register/WN_WK8CkqhuREeVs7isBZRxHQ

This online learning event is part of a [series on addressing transparency in agriculture and land use sectors](#) organized by the FAO Transparency Team. The event aims to introduce adaptation reporting through the Biennial Transparency Reports under the Enhanced Transparency Framework of the Paris Agreement, and particularly focuses on the Element A (National circumstances, institutional arrangements and legal framework), Element B (Impacts, risks and vulnerabilities) and Element C (Adaptation priorities and barriers) of the Modalities, Procedures and Guidelines (MPG). Participants will also learn more about the upcoming activities of the CBIT-AFOLU project and the opportunity to join the FAO-led '[Transparency in the agriculture and land use sectors network](#)'.

Provisional agenda

Time (CEST)	Items
11:00-11:05	Opening and introduction to the FAO Transparency Network (FAO)
11:05-11:20	Part 1: Adaptation reporting under the ETF (IIED, FAO)
11:20-11:30	Part 2: FAO's methodology and practical experience on local vulnerability assessment (FAO)
11:30-11-45	Country experiences (Switzerland, Tanzania)
11:45-11:55	Q&A
10:55-11:00	Closing (FAO)
